1. Warranty Provision: MII offers the MFC and the government its Standard Commercial Warranty as outlined below.

**Handle-It Limited Warranty:** MII Equipment, Inc. warrants all of its Handle-It products against defects in welded structural frame and, if applicable, scissor legs from faulty material and workmanship for a period of 1 year from the date of invoice.

All batteries are covered under a separate limited warranty from the battery manufacturer for a period of one year from the date of invoice.

All other components have a limited warranty against defects in faulty material and workmanship for a one (1) year period from the date of invoice. Please note that prior authorization from MII Equipment, Inc. is required on all warranty work.

There are no implied warranties of any kind. More specifically; there are no warranties of merchantability or fitness for any particular purpose. The sole warranty of MII Equipment, Inc. shall be as set forth in this limited warranty.

MII Equipment, Inc. will elect to repair or replace a defective component without charge, if any components should become defective within the limited warranty period. Proof of purchase is required for warranty. The charge for shipping the defective component is the responsibility of the buyer and the shipment must be accompanied with an RGA number. The shipping charge to return the component to the buyer is the responsibility of MII Equipment, Inc. This limited warranty does not cover labor expense for removal or reinstallation of components.

This limited warranty shall not cover, among other things, damages resulting from foreign matter or water, failure to provide reasonable and necessary maintenance, use of the product while the charger is plugged into an AC outlet, if applicable, or failure to follow operating instructions. The limited warranty is not valid for damage resulting from negligence, accident, unreasonable use, abuse or misuse, exceeding rating plate capacities or altering the product without MII Equipment, Inc. written authorization.

MII Equipment, Inc. makes no representation that this product complies with local, state, or federal safety/product standards or codes. Should this product fail to comply in any way with those codes, it shall not be considered a defect of materials or workmanship. MII Equipment, Inc. shall not be held liable for any damages resulting from noncompliance. It is the distributor's responsibility to exercise this limited warranty. This limited warranty is provided to the original purchaser (defined as the original end user) and is not transferable. This constitutes the complete and final statement involving MII Equipment, Inc. and the company's limited warranty obligations for Handle-It products.

**Handle-It Pallet Truck Warranty:** Handle-It will guarantee this product against material or manufacturing defects provided the truck has not been abused and is used

under normal conditions\*. Handle-It will provide replacement components for those deemed defective by Handle-It. under the terms listed below for the following models: Models LR2055, L50M, L50M-4WAY, L50MU, L50MU-4WAY. The complete hydraulic pump and handle assembly is covered for two (2) years. The chassis and associated components are covered for twelve (12) months. Wearable components such as wheels, roller, and bushings are covered for six (6) months.

Models L60, L80, L100 Freezer Special Models: All parts and components are covered for a six (6) month period.

All warranty periods begin as of date of purchase. This warranty does not include labor or miscellaneous costs involved in the replacement of any components determined to be defective.

In order to claim for warranty, you must supply the truck serial number, as well as date of purchase.

\* Any truck used under adverse conditions, such as fish, meat or poultry processing plants, tanneries, freezer applications, or any other application where the unit is operating in water or subjected to fluid or chemicals is **NOT** covered under the warranty. A freezer special truck prevents the frame and components from rusting out prematurely.

The hydraulic pump, all bearing, as well as bushings are still subject to condensation and therefore premature failure. Bent, twisted or misaligned forks are clear signs of abuse and are not covered under warranty.
